Docket No. 2009-489-E

I am unable to attend the public hearing. However, I would like you to know that I am very much against allowing any rate increase to SCE + G.

With the high jobless rate, no wage increases for those people lucky enough to have jobs, and people like me who are old, retired and on a fixed income, we just can not afford the continual increases.

It is time for SCE + G to make due with what they have, just like their customers have too.

NO RATE INCREASE !

Sincerely,
Corinne Tapley
